

TSOLR
The School of
Luxury Retail

INDIA'S FIRST UNDERGRADUATE DEGREE IN
LUXURY BRAND & RETAIL MANAGEMENT

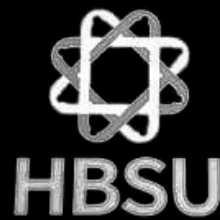

Luxury is not just a market- it's an experience, a language & a culture.

The luxury sector in India is expanding at an unprecedented pace. With the market expected to grow from \$12.1 billion in 2025 to \$85-90 billion by 2030, there has never been a better time to build a career in this high-value industry.

At The School of Luxury Retail (TSOLR), we build the leaders of tomorrow. Our flagship program - Bachelor's in Luxury Brand & Retail Management (LBRM) is India's first NEP 2020 compliant undergraduate degree in luxury.

Bachelor's in Luxury Brand & Retail Management (LBRM) is a four-year undergraduate degree offering detailed exposure in branding, marketing, sustainability, finance, languages, soft skills and entrepreneurship.

Our curriculum blends theoretical business studies with real-world professional experience. This combination is carefully curated and developed in consultation with experienced industry leaders and academic advisors to ensure students graduate with skills directly aligned to the demands of today's luxury retail sector.

Bachelor's in Luxury Brand & Retail Management (LBRM)

An innovative pedagogical approach that broadens the classroom's boundaries.

Majors in Luxury Marketing & Minors in Entrepreneurship

- 4 years NEP 2020 Compliant Undergraduate Degree Course.
- 3 years (6 semesters) in Mumbai.
- 4th year (7th & 8th Semesters) International Immersive Experience or 12 months Co-op Internship in India.
- Personalized career advisory services throughout the program.
- Multi-cultural environment.

Mumbai Experience

Set against the vibrant backdrop of Mumbai - India's financial, commercial and entertainment capital, the city offers unparalleled opportunities. Home to over 25 million people, Bollywood and a hub for global commerce, Mumbai generates 6.16% of India's GDP, 25% of its industrial output and 70% of its maritime trade.

This cosmopolitan confluence of fashion, luxury and culture makes it the perfect environment for cultivating future leaders in luxury retail. The School of Luxury Retail proudly welcomes its students to Sydenham College, a historic institution celebrated as ***Asia's first college of commerce and economics***.

Nestled in South Mumbai's prestigious Marine Drive, this heritage landmark embodies excellence and modern sophistication.

About HBSU Degree

The School of Luxury Retail (TSOLR) in collaboration with Sydenham College, Mumbai; a constituent institute of Dr. Homi Bhabha State University offers Bachelor's in Luxury Brand & Retail Management. The Bachelor's Degree, on successful completion of course is awarded by Dr. Homi Bhabha State University.

Dr. Homi Bhabha State University (HBSU) is the first cluster university of Maharashtra State, Established in February 2019 under Rashtriya Uchchar Shiksha Abhiyan (RUSA) program of Government of India.

HBSU comprises of four oldest and prestigious Government Colleges of Mumbai viz., Institute of Science, Elphinstone College, Sydenham College and Secondary Training College. These colleges have a different curricula but a shared vision.

At HBSU, faculty, staff and infrastructure across constituent colleges are shared, offering students a regulated fee structure and a broad range of electives.

With horizontal mobility and an interdisciplinary approach, the Choice Based Credit System (CBCS) allows students to take courses from any college to meet their required credits, regardless of their enrolled institution.

Education is a lifelong process of learning, where knowledge, skill and values are nurtured and transferred from one generation to another. With this guiding philosophy, Dr. Homi Bhabha State University (HBSU) is dedicated to creating an ecosystem that promotes academic excellence, innovation and holistic development. The University currently offers a diverse range of undergraduate programs in Science, Arts, Social Science, Humanities and Computer Applications through its four Constituent Colleges, ensuring students have access to multidisciplinary learning opportunities.

HBSU is deeply committed to transforming and empowering students to become self-confident, knowledgeable and employable individuals who can meet the challenges of a rapidly evolving world. Beyond classroom learning, the University emphasizes skill development, critical thinking and values-based education to prepare students for meaningful contributions to society.

In alignment with the New Education Policy 2020, HBSU is actively engaged in redesigning and developing courses that integrate contemporary knowledge, technology and practical application. This progressive approach ensures that the University not only upholds the interests of all stakeholders but also nurtures the all-round development of its students—equipping them to excel in academics, careers and life.

Program Under NEP

Aligned with the National Education Policy (NEP), our curriculum meets modern academic standards, fosters holistic development and equips students for future challenges.

Immersive Honours Degree*

In the 4th year, students at TSOLR have the unique opportunity to immerse themselves in global luxury markets by studying abroad in renowned fashion and business hubs such as France, Italy, the UK and Switzerland. Alternatively, they can choose to continue their internships within India's thriving luxury sector. This is aimed to equip students with a well-rounded perspective, preparing them to navigate both global and domestic markets with confidence and expertise.

Note: Following NEP guidelines, the 4th year at TSOLR is optional.

Industry - Academia Collaboration

We get to learn from industry experts and get a lot of exposure from the luxury industry that is really growing in India and we get to grow with it.

-Mohamad Zeehan Banday
(Second year student)

The teachers have been awesome, the masterclasses conducted have been to the point. Everything has been top-notch. Our program is very specific about luxury, whereas other programs are very generic which gives us an upper-hand. I love the management here.

-Krish Bahl
(Second year student)

State-of-the-Art Infrastructure

We understand the importance of campus infrastructure in shaping the student experience. Our state-of-the-art classrooms are equipped with smart monitors, CCTV, ergonomic seating and centralized air conditioning, providing a comfortable and creative learning environment.

Industry – Academia Collaboration

Success is shaped by real world experiences and learning. At The School of Luxury Retail, we bridge the gap between industry and academia to offer students practical, real-world knowledge. Our strong industry partnerships provide valuable opportunities to learn directly from experts and gear up for a thriving career in luxury.

Our program is crafted and endorsed by a diverse Board of Advisors, ensuring it aligns with current industry needs. We offer masterclasses led by industry professionals to keep students updated on the latest trends and essential skills for a successful career.

We believe in moving beyond traditional classroom teaching. That's why we offer innovative, hands-on experiences like Retail Safaris and international excursions to enrich learning and provide real-world context.
